So why in the hell did you invade your deviant ass into trying to being a so called woman? You killed someone. And your going to tell Real Women how things are? Fuck you! You are the biggest hypocrite there is I don't know how people can stand to be around you.

Yes, and changing the meaning of descriptive words is meant to confound. A person who dresses as the opposite sex is already known as a transvestite. Not they or them. A person who has actual sex change surgery is a transsexual. They've changed what's under the clothing.

Hey Caitlyn, I think you should pull a Tucker and use Twitter....videos of your stance on today's mess. Maybe you're already doing so? If not, I do believe you'd reach a wider audience.

Isn't that something the college should deal with maybe you should take your complaints to these colleges and HS to speak about this instead of blaming government this seems this a school issue President Biden do not control what goes on at colleges.
